

The Wellcome Trust/DBT India Alliance Public lectures, ICGEB

Report – India Alliance

The Wellcome Trust/DBT India Alliance in association with the International AIDS Vaccine Initiative (IAVI) conducted two public lectures at ICGEB on 17 December, 2013. Dr Robin Weiss, a Professor at University College, London lectured on the topic titled “Pseudo viruses in Cell Biology and Vaccinology” and Dr Wayne Koff, Senior Vice President and Chief Scientific Officer, IAVI talked on the “Human Vaccines project”. The India Alliance co-sponsored the event.
